

Telethon Kids Flow Facility Hourly Rates

Equipment	Telethon Kids Researchers ¹ , Honorary Research Fellows ²	TKI AFFILIATES ³	EXT ACADEMIC	EXTERNAL COMMERCIAL ⁴
Analysers-user operated	\$45 ⁵	\$55	\$75	\$110
Analyser – Including operator	\$90	\$135	\$205	\$275
Cell sorter – operator use only	\$90	\$135	\$205	\$275

1. All Telethon Kids researchers will receive a subsidized internal rate as per the table above.
2. This is subject to 'Honorary Appointment Policy'. All Honorary Research Fellows will have access to internal rates. Honorary Distinguished Research Associates and Honorary Research Associates will require approval to use equipment at internal rates.
3. Subsidised rate for TKI affiliates (UWA and Curtin).
4. *Industry rates and access by contract only*
5. X20 analyser is eligible for priority access by Telethon Kids Cancer researchers via the Zero Cancer funding as determined by the 'Procurement and Management of Research Equipment Policy'. A charge of \$5/hour is leveraged for consumables for priority users.
